School Health Services at EAC Montessori are provided through the Ithaca City School District. The School Nurse acts as a liaison between home and school. For more information about School Health Services please visit the [health page](#) on our school website. If you have any concerns about your student's health we encourage you to contact our Health Office at (607) 277-7335.

New York State has several requirements for school attendance:

1. New entrants must provide **proof of immunizations**. Refer to https://www.health.ny.gov/prevention/immunization/childhood_and_adolescent.htm for the "Immunization Requirements for School Entrance/Attendance" which are updated each year.
2. New entrants must provide a copy of their **physical exam** (performed by a US MD, PA or NP) that is dated no earlier than twelve months prior to the start of the school year.
3. New entrants must complete the Ithaca City School District Developmental-Medical History form. A link to this form is included in the medical section of the online enrollment process.
4. For all students under 6 years of age - please provide **results of lead testing** from your healthcare provider if it is not documented on the physical exam report.
5. A dental certificate is requested for all students. Your dentist can provide this documentation.
6. If your child requires **medications** (prescription and non-prescription) at school:
 - a. please obtain written medication orders from your child's healthcare provider.
 - b. a parent/guardian signature is also required for the School Nurse to dispense medication to your child.
 - c. all medication needs to be delivered by an adult to the school nurse in the original packaging.

You may **contact your healthcare provider to fax a copy of the physical exam report, immunization records, lead testing results and medication orders to the School Nurse at (607) 277-0251** or you may upload copies of these documents as part of the online enrollment process.

Please call if you have any questions. Thank you.
